

# Power Grab'n'Bond

**Solvent free construction adhesive with  
exceptionally high initial grab**

Durable elastic, high modulus, super adhesive.

For interior as well as exterior bonding, in the building and industrial sector.

No Staining, suitable for natural stone

No shrinkage

Free of isocyanates, solvents, silicone and phthalate

Fast curing

Resistant to UV radiation, weather, seawater, mould and chlorine

Very good adhesion to most surfaces (even when wet) without using a primer (test first porous surface)

Odourless
